## A MESSAGE TO THE TAXPAYERS OF ESSEX COUNTY

I am pleased to provide an update to the taxpayers of Essex County on the work the Ontario Government is completing across the province and at home in our riding.

Work is underway, and in some cases completed, on key infrastructure in our riding. We have made historic investments that range from building new schools, highways, and hospitals. We are working our plan to stay open and reconnect Ontario. We are investing in the skilled trades workers that will build the homes, roads, and businesses that Ontario needs for the future.

I encourage you to read further to find out where your tax dollars have been put to work in our riding.

Finally, let me reiterate how grateful I am to be your chosen representative at Queen's Park. We are getting it done for the taxpayers of Essex.
