A MESSAGE TO THE TAXPAYERS OF ESSEX COUNTY

Essex County thrives on automotive and manufacturing investment. We all know that automotive and manufacturing investment will create long-term jobs and a healthy economy for everyone in Essex County.

This issue of my household bulletin is dedicated entirely to automotive and manufacturing investment throughout southern Ontario since 2020. The integrated supply chain we are creating in southern Ontario will ensure good-paying jobs and a healthy economy for people in Essex County for years to come.

Automotive manufacturing is back!
